TRU's Kamloops and Williams Lake campuses are located on the traditional lands of the Tk'emlúps te Secwépemc (Kamloops campus) and the T'exelc (Williams Lake campus) within Secwepemcúl'ecw. In Kamloops (from the Secwépemc word for "meeting of the waters"), the main campus overlooks the junction of the North Thompson and South Thompson Rivers, from which the university gets its name.

TRU. A CAMPUS UNLIKE ANY OTHER.

At Thompson Rivers University, we provide quality education and strive for excellence while ensuring our students get the support they need to succeed. We welcome all people and cultures and promote intercultural understanding.

TRU offers more than 140 on-campus programs and more than 60 Open Learning programs in areas such as arts, business, computer science, education, environment, law, nursing, sciences, social work, tourism and trades and technology. Our average class size is 31 students.

A vibrant community of more than 14,000 students on campus are working towards graduate and undergraduate degrees, diplomas, apprenticeships, professional certificates, continuing studies and English for Academic Purposes (EAP). We have more than 4,000 international students from over 100 countries and regions. Wherever you are from, we can help you follow your passion at TRU.

TRU offers:

- University preparation
- Short-term customized training programs
- English for Academic Purposes (EAP)
- Associate degrees
- Certificates and diplomas
- Bachelor's degrees
- Post-Baccalaureate diplomas
- Graduate certificates
- Master's degrees
- Juris Doctor

As a university located in the city known as the Tournament Capital of Canada, TRU has thriving sports programs and students have access to amazing fitness facilities like the Tournament Capital Centre (TCC), Olympic-length swimming pool and a FIFA-certified artificial turf field.

TRU has always had a strong international contingent of student athletes. Countries represented include athletes from England, Spain, Australia, Netherlands, Portugal and Trinidad and Tobago.

KAMLOOPS. A UNIQUE LOCATION

Our picturesque campus is in the heart of Kamloops, British Columbia, where it overlooks the meeting of the North and South Thompson Rivers. Kamloops is home to over 100,000 friendly residents and is rich with sporting and cultural events and boasts four beautiful seasons to enjoy outdoor adventures.

This region is part of the traditional lands of the Tk'emlúps te Secwépemc Indigenous people and spans grasslands, pine forests, lakes and mountains. Their presence and history contribute to the diversity that influences TRU's campus.

You'll discover parks, museums, art galleries, year-round outdoor activities, shopping, movies, theatre, vineyards and BC's second largest ski resort. Kamloops is also home to numerous churches, a mosque, Sikh temples and a Buddhist temple.

KAMLOOPS AND
SURROUNDING AREA

The city of Kamloops' economy is strong and diverse. Forestry, mining, retail and agriculture have always anchored the economy of Kamloops as core industries. Today, the emerging areas are strengthening our economic base and contributing to the city's dynamic growth.

CORE INDUSTRIES

The following industries are marked by significant export activity, bring new dollars into the economy, root supply chains and will continue to serve as driver industries for years to come.

- Transportation & Logistics
- Healthcare
- Forestry
- Manufacturing
- Agriculture
- Retail
- Mining

EMERGING INDUSTRIES

These are newer industries in the early stages of growth that are beginning to thrive in the community.

- Hi-Tech
- Green Energy
- Tourism

British Columbia, CANADA

Free Public Transit

There is limited parking on campus. Take advantage of UPASS, which includes an unlimited City of Kamloops Transit pass. Buses arrive on campus every 15 minutes. bctransit.com/Kamloops

SUMMER
23° to 33° C

AUTUMN
10° to 22° C

WINTER
-5° to 4° C

SPRING
10° to 22° C

These are approximate seasonal highs and lows, not average temperatures. We might hit the peaks or dips only briefly each season.

CAMPUS LIFE

Beyond the classroom

Get involved on campus and reach your full potential

TRU has student clubs for almost every interest. Join one of the existing clubs or start your own! You'll meet like-minded people, make new friends, showcase your talents, create lasting memories and have fun.

Get involved in student clubs such as: Adventure U Club, Bangladesh Club, Caribbean Club, Chinese Students & Scholars Club, Enactus, Finance Club, Japanese Club, Modern Marketing Club, Music Clubs, Muslim Association Club, Pan-African Club, Pride Club, Spanish Conversation Club, Vegan Club, Vietnamese Club, Women in Business and more.

Find a full list of clubs at tru.ca/clubs

TRU Generator

Get involved in entrepreneurship on campus. Join the TRU Generator to network and participate in a vibrant startup community. It's open to TRU alumni, faculty, staff and students.

Visit tru.ca/generator

TRU Library Makerspace

Bring your ideas into reality at TRU's Makerspace. Join a supportive community where sharing, experimentation and play is encouraged. Experiment with 3D printers, podcasting studios, VR rooms and more.

International Days Festival (IDays)

IDays is our award-winning, week-long celebration of cultures from around the globe. Learn how diverse TRU really is.

IDays is an opportunity to share culture, international experience, research and interests while celebrating TRU's international community and international collaborations.

Find out more at tru.ca/idays

 Watch IDays videos at youtube.com/truworld

Explore BC with LEAP

The Leisure Exploration Activity Program (LEAP) provides students with educational, fun and exciting experiences each semester for a nominal fee. This is a great way to meet new people, explore the area, experience local culture and try new activities such as:

- camping
- canoeing/kayaking
- curling
- day trips to Vancouver
- ice skating
- ice hockey
- rock climbing
- seasonal parties
- skiing/snowboarding
- whitewater rafting
- wine tours

 Follow [@truleap](https://www.instagram.com/truleap) on Instagram to learn more

SPORTS, RECREATION & ACTIVITIES

TRU's Kamloops campus is right next to the city of Kamloops' top-notch athletic facilities in the Tournament Capital Centre (TCC) sports complex, which includes an Olympic-length swimming pool, indoor and outdoor tracks and numerous recreation spaces. Access to TCC's Aquatic Centre is included in TRU's student fees and all TRU students receive 50% off additional usage fees.

Varsity athletics

The WolfPack have eight teams: six of them compete in USPORTS/Canada West which is the highest level of university sports in Canada. Those sports are men's and women's soccer, men's and women's volleyball, men's and women's basketball.

The other two club sports are cheerleading and baseball.

TRU has always had a strong international contingent of student-athletes. Countries represented in the past include athletes from England, Spain, Australia, Netherlands, Portugal and Trinidad and Tobago.

For more information, visit gowolfpack.ca

Intramural sports

TRU Recreation offers non-competitive intramural and drop-in games of badminton, basketball, dodgeball, floor hockey, soccer, volleyball, pickleball and cricket, as well as various fitness classes, events and tournaments.

tru.ca/recreation

Off-campus sports

Kamloops, the Tournament Capital of Canada, has top-level coaching and club competition in many different sports including figure skating, football, gymnastics, rowing, rugby, swimming and skiing. Students interested in competitive/club sports can attend TRU while pursuing their sport off campus.

WORK OPTIONS FOR INTERNATIONAL STUDENTS

Work during your studies

International students are eligible to work on and off campus while studying full-time, and qualify for a full-time work permit after graduation.

Find out about opportunities for international students at cic.gc.ca/english/study/work.asp

Jumpstart your career

The Career & Experiential Learning department helps students plan their careers from building a professional resumé to getting selected for a job interview. These career counsellors have years of experience and are committed to supporting students in reaching their career goals through various initiatives including on-campus job fairs and seminars.

Work after graduation

As an international student graduating from a Canadian post-secondary institution, you are eligible to remain in Canada to work. Students completing a minimum two-year program of study may be eligible to work for up to three years after graduation.

Many of our international graduates have successfully found jobs in Canada in their area of study. Companies that hire TRU graduates include banks, Crown corporations, major retailers, municipal governments, non-profits and universities (including TRU).

Get more information at cic.gc.ca/english/study/work-postgrad.asp

Here are some of the many companies that hire TRU graduates:

Banks

- Bank of Canada
- Bank of Montreal
- CIBC
- HSBC Bank
- Interior Savings
- Royal Bank of Canada
- Scotiabank
- TD Bank Group

CO-OPERATIVE EDUCATION

Co-operative education combines academic studies with paid work experience. Students alternate between terms of full-time study and full-time employment.

Why Co-op?

- Get paid for career-related work experience while studying
- Earn academic credits and transcript distinction
- Maximize job opportunities upon graduation
- Choose from Co-op placements in Kamloops and across Canada
- TRU Co-op office prepares students for interviews and job placements
- Choose to work up to four semesters

! Students can receive academic credit for Co-op work terms.

Homestay: Live with a Canadian family

Managed by TRU World staff, TRU's homestay program is a great way to experience Canadian culture and practice English by living with local families or individuals. More than 450 carefully selected Canadian homestay providers are in this program. Students get a private, furnished bedroom, three meals a day (and snacks) and a chance to live as part of a Canadian family while sharing their own culture.

HOMESTAY	SEPTEMBER – APRIL
\$9,600 yearly	\$1200 monthly, including meals

WILLIAMS LAKE CAMPUS

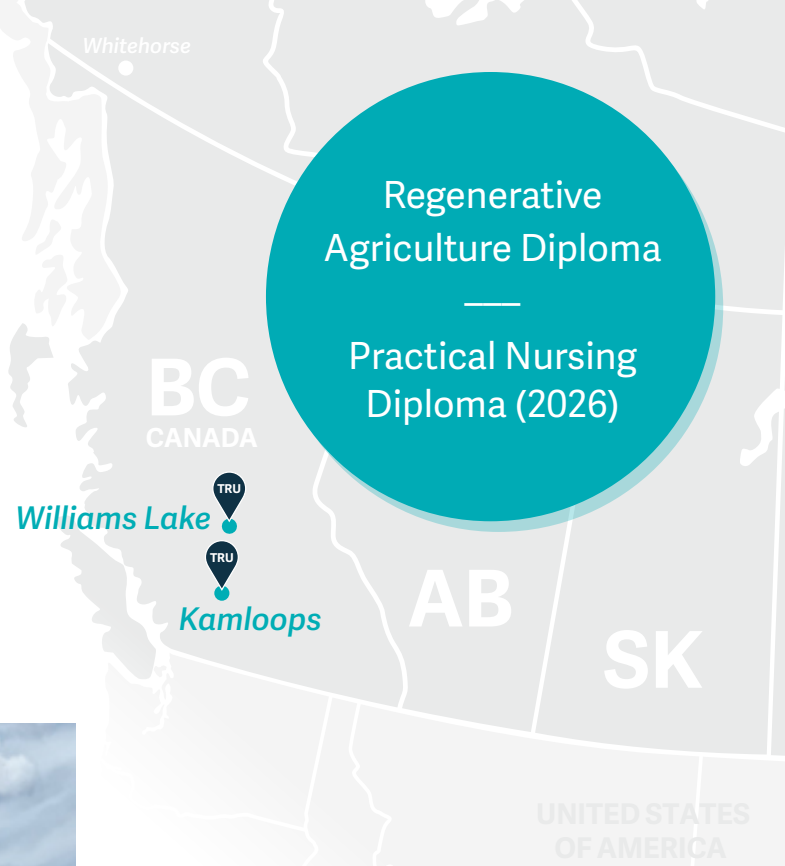

Williams Lake is a long-time ranching and farming community with an economy based on area resources such as forestry and mining. TRU Williams Lake has the only ranching program in BC focusing on regenerative agriculture.

In Williams Lake, the cost of living is affordable and people know their neighbours. Williams Lake has an expanding hospital and extended-care homes, so there is a demand for university-trained healthcare workers.

The campus boasts small class sizes, usually between 15 and 20 students, depending on the program. There are benefits to such an intimate educational setting — faculty get to know their students and the campus is safe, friendly and close knit.

TRU Williams Lake is located in a residential area and there are housing options within walking distance of the campus.

For more information, visit tru.ca/williamslake

Regenerative Agriculture Diploma
(Formerly Applied Sustainable Ranching Diploma)

Growing up in Ghana, West Africa, I saw an opportunity for agriculture to raise the population's standard of living. Seeking an effective approach to making a difference in the world, I've completed my first year of TRU's Applied Sustainable Ranching two-year program and already feel confident managing a farm.

MAJEED NASHIRU
GHANA

DISTANCE EDUCATION

Learn wherever you are

As BC's leading online and distance education provider, TRU Open Learning offers over 60 programs and 500 courses. More than 17,000 TRU students study online or by distance.

You can complete some courses before you arrive to study on campus, saving you time and money.

While on campus, you can take blended studies combining in-class and online Open Learning courses. This allows you to maintain a flexible schedule while still getting credit for courses that count toward your full degree.

RESEARCH AT TRU

As one of six members of the Research Universities' Council of British Columbia, TRU is committed to distinguishing itself among BC's research leaders. We support efforts to achieve excellence with research facilities, internal funding, research chairs, knowledge mobilization resources and student research.

Research at TRU is making a difference. Many of our most important research discoveries stem from community-based research questions

TRU Centre for Optimization and Data Science

The Centre for Optimization and Data Science at Thompson Rivers University is an intellectual hub to foster multi-disciplinary research and to enhance the quality of research, not only in the theoretical study of optimization and decision-making science, as well as applications of optimization to real-world problems.

Learn more: tru.ca/cods

that result in real-life solutions with immediate and far-reaching impact. They influence policy, enrich culture, improve programs and build more vibrant cities. Our faculty are engaged in training the next generation of world-class researchers at both the graduate and undergraduate level.

General inquiries, email research@tru.ca | tru.ca/research

Visiting research students

TRU places a high priority on providing undergraduate and graduate research opportunities for students. Inquiry-based and creative learning are recognized as academic foundations in the Academic Plan. No matter what your discipline is, there are opportunities at TRU for you to engage in independent research and artistic inquiry. TRU professors are committed to mentoring and helping you meet your research goals.

Brain & Behaviour Lab

SHORT-TERM STUDIES

For more than 30 years, TRU has delivered exceptional customized learning experiences. Our programming options include language and culture courses, professional development training and customized programming, all of which can be offered in person or online.

Programs may include:

- Accommodation, Homestay (including meals) or dormitory
- Scheduled recreational and cultural activities
- Airport pick-up and drop off within Kamloops
- TRU campus and city orientation
- Support from TRU advisors and instructors

For more information and to apply for short-term programs, visit truworld.ca/itc

See what students experience during our short-term programs

Language and Culture Open Programs

These open programs are available to large and small groups. In-person and online options provide opportunities to meet the educational needs of all our students. Both options include intensive English language training as well as cultural and recreational activities.

Online and in-person programming may include an elective of your choice:

- Applied English
- Global Citizenship
- Healthy Choices
- Leadership Skills
- STEM Skills
- Workplace English

Winter Language and Culture Programs

4-week: January 7 to 31, 2025 – \$4,275 CAD

3-week: February 18 to March 7, 2025 – \$3,795 CAD

Summer Language and Culture Programs

4-week: July 2 to 25, 2025 – \$4,275 CAD

3-week: August 6 to 22, 2025 – \$3,795 CAD

Soccer and Language Camp

Come to TRU for your intercultural experience, enhance your English proficiency, increase strength and conditioning, while improving your soccer skills.

June 23 to July 10, 2025 – \$3,875 CAD

Language and Culture Transition Program

Come to TRU three weeks before you start your academic classes, practice your English and prepare for your Accuplacer test.

Customized Training

The International Training Centre (ITC) works with partners around the world on their unique training needs. Ask us about:

- Teacher Training
- Health Care Programs
- Tourism / Adventure Training Programs
- Business Programs

Certificate Programs

The courses within this certificate program can be scheduled as a in-person cohort or individuals can study online. Once you complete all six courses you will receive a certificate of completion from TRU.

Our online programs are offered live with one of our certified instructors. Certificate programs include:

- Excellence in Professional English
- Global Citizen
- Professional Development for Educators
- Professional Development for Health Care
- Standardized Test Preparation

INTERNATIONAL PARTNERSHIPS

TRU's transnational education and study abroad programs offer students unique and exciting ways to gain global experience and earn TRU credits with a wide range of partner institutions.

TRANSNATIONAL PROGRAMS

Take a TRU program at your home institution

TRU works with partner institutions to deliver our programs in partners' home countries. Over 700 students are currently enrolled in TRU business and computing science programs in China and India.

Articulation Program

Transfer your credits towards a degree at TRU

Students can transfer credits earned at partner institutions towards TRU arts, business, computing science, education, science, technology and tourism programs.

Pathway Program

Transition from preparatory studies to TRU

TRU partners with high schools and English language schools in Canada and abroad so qualified students can complete their preparatory studies, then transition to university studies at TRU.

Visiting Student Program

Take part of your program in Canada for credits

TRU has partnered with other institutions worldwide to offer a Visiting Student Program which provides students with a study opportunity in Canada. All courses taken at TRU will be counted towards university credits at the student's home institution, based on the agreement between TRU and the partner institution.

2018 Respiratory Therapy Field School to Cuzco, Peru. Faculty of Science Health 3200 Cardiopulmonary Health

STUDY ABROAD PROGRAMS

Megan Graham, Natural Resource Science Study Abroad in Japan

Expand your studies at TRU

Don't be limited to just completing your degree in Canada. Expand your experience by participating in one of TRU's many international mobility opportunities.

Student Exchange

International students may choose from a list of partner institutions to study for one or two semesters in another country. Tuition is paid to TRU and credits are applied towards your TRU degree.

Short-Term Summer Exchange Programs

If you're not sure about a full semester abroad, consider a two to four-week short-term summer program with a partner institution — all while earning credit toward your TRU degree.

International Field Schools

TRU provides a range of exciting and specialized faculty-led field schools, taking learning beyond the classroom and earning credits while exploring the world.

For more information, visit tru.ca/studyabroad

OUR STORIES

What's better than real life experiences? See what our students and alumni have to say about all that TRU offers.

Bachelor of Science in Nursing

TRU's School of Nursing instructors have supported me throughout the program, which has been a difficult journey at times. The faculty are always looking for opportunities for students to practice skills and apply their knowledge in clinical settings, helping us to better retain course material."

ADETOUN ODUBOTE

NIGERIA

Master of Business Administration

TRU's Master of Business Administration program not only provides expertise in your field of study, but faculty members also prepare you to enter the professional world by helping to perfect your application documents. TRU's MBA program exceeded all my expectations."

BENNO BEHRNDT

GERMANY

Bachelor of Arts, Major in Psychology

The time I've spent at TRU has been the best. I've met amazing people that, even though I'm far from home and my family, always make me feel good and at home. TRU has also given me many opportunities to discover who I am and want to be through activities, events, classes, programs and so many other things that enhance daily my university experience. TRU is, with no doubt, where I belong."

MANUELA CEBALLOS

COLOMBIA

Post-Baccalaureate Diploma, Business Administration

Choosing TRU for my Post-Baccalaureate Diploma has been a great experience. It's very welcoming and I've felt at-home here since the first day. I've met people from all over the world, enjoyed breathtaking views every day, and am inspired to succeed both academically and personally."

ANYA BOHACH

UKRAINE

Bachelor of Science, Animal Biology

Moving away from home to a new city can be scary, but I was welcomed at TRU with warm smiles and open arms. I've had the opportunity to explore topics beyond my major and participate in numerous activities. I'm encouraged to embrace my diversity while learning from other cultural perspectives."

ANDREA VALCÁRCEL ABUD

DOMINICAN REPUBLIC

Master of Science in Data Science

TRU's MSc in Data Science has been transformative, providing advanced knowledge and unique opportunities. During my time at TRU, I have had the opportunity to become a research assistant as well as the Vice President of the Data Science Club. I've gained invaluable skills and experience. The faculty's guidance and the program's government recognition promises a bright future in Canada, boosting my professional confidence."

TARIQUE MAHMUD

BANGLADESH

Computing Science Diploma

The Career and Experiential Learning department was of great help to me. They helped me with everything career-related, from improving my resumé to developing my skills, especially my communication and networking skills. They work really hard to help students succeed professionally."

While still completing my Co-op requirements, I received a call for my first interview in the program, with Trimble. I was nervous and wasn't very confident with my communication skills. But my Co-op supervisor gave me the support I needed to succeed."

YASSIR CHADY

MAURITIUS

VERA WU CHINA

Master of Education

TRU's Master of Education program has a flexible structure that allows you to focus on your interests in the field. While you'll learn how to do a teaching job in your Bachelor of Education, the Master of Education teaches you how to reflect and improve to sustain learning and growth."

VERA WU

CHINA

Master of Business Administration

I'd like to launch my own start-up in the near future and I'm confident TRU's MBA program will help me reach this goal. The MBA faculty are highly skilled, and the program has supplied me with the academic background, experience and leadership skills to succeed in our ever-changing world."

MARIO REYES CASTRO

MEXICO

Bachelor of Business Administration, Economics

I came to TRU for a degree but got so much more. I made amazing friends in a picturesque city, worked on a United Nations agency project, got involved with student governance and was a student club leader. TRU offers unparalleled resources and services for its students to thrive."

INTERNATIONAL ACCREDITATIONS AND TRANSFER CREDIT

International Baccalaureate (IB)

The IB diploma is accepted for admission to TRU. Transfer credit will be granted for A level courses completed with a score of 5 or higher. Students have the option to decline the transfer credit if they wish to complete the course(s) at the university.

To transfer credits to arts, business or science, you must have:

- Official IB transcript (sent to International Admissions office directly from the testing centre)
- Higher learning courses only
- Grade of 5, 6 or 7

Advanced Placement (AP)

AP exams will be accepted for admission to TRU. Official transcripts must be provided from the College Board. To transfer credits you must have:

- Official AP transcript
- Grade of 4 or 5

General Certificate of Educational Studies (GCES)

Students completing their GCES will be considered for admission based on different factors. For admission to TRU you will need:

- A minimum of two Advanced (A) level courses and two Advanced Subsidiary (AS) level courses or
- A minimum of three A level courses and two Ordinary (O) level subjects
- Completion of O levels (university preparation courses will need to be completed at TRU)
- Math and English A Level completion is required. Otherwise University Preparation or upgrade will be required where applicable.

GCES Advanced level (A-level exams)

Transfer credit to arts, science, or business programs are available for approved A-level courses with a passing grade of A or B. To transfer credits, you must provide official GCE transcripts of A-level courses.

General Education Development (GED) test

GED is an accepted high-school equivalent for admission to TRU under the following conditions:

- Must be at least 17 years of age
- Will need IELTS score
- Will need to take Accuplacer math assessment at TRU

Transfer credit

If you have completed courses at another recognized post-secondary institution, you may be able to transfer those courses to TRU.

Once your study permit is approved and prior to your arrival at TRU, you must provide original transcripts or attested copies from the respective Registrar and course outlines (syllabus); otherwise you may not be eligible for transfer credit in your first semester. Transcripts and course outlines must be officially translated into English.

tru.ca/transfercredits-international

SCHOLARSHIPS

For more information visit truworld.ca/scholarships

International Athletic Scholarships

Considered for students on TRU's varsity sports teams.

Engineering Scholarships

International students accepted and enrolled in TRU's two-year engineering transfer program will be considered.

Jorge Campos Award for Mexican Citizens

This scholarship is open to Mexican citizens currently enrolled in a full-time program of studies in Mexico.

Scholarships for US Citizens

US citizens admitted to a TRU undergraduate program of two years or longer are eligible for a \$2,000 CAD scholarship.

Diversity Scholarships

TRU offers global diversity scholarships to new international students that demonstrate excellent academics and are from countries that are underrepresented on campus. To be considered, students should meet one of the following: 3.0 GPA or 6.5 IELTS or 88 TOEFL iBT.

Scholarships for Residents of the Bahamas

Students from the Bahamas entering an undergraduate program in the Faculty of Adventure, Culinary Arts and Tourism or the School of Business and Economics will automatically be considered to receive a \$7,500 CAD award. One student is selected each year.

TRU Academic Merit Scholarship

Open to all international students who graduate from a Canadian high school with a minimum GPA 73% in Grade 12. Applicable to any undergraduate program. Is valid for one academic year following high-school graduation.

International Social Media Ambassador Awards

A limited number of awards are available for international and Canadian students interested in promoting TRU globally as a study destination.

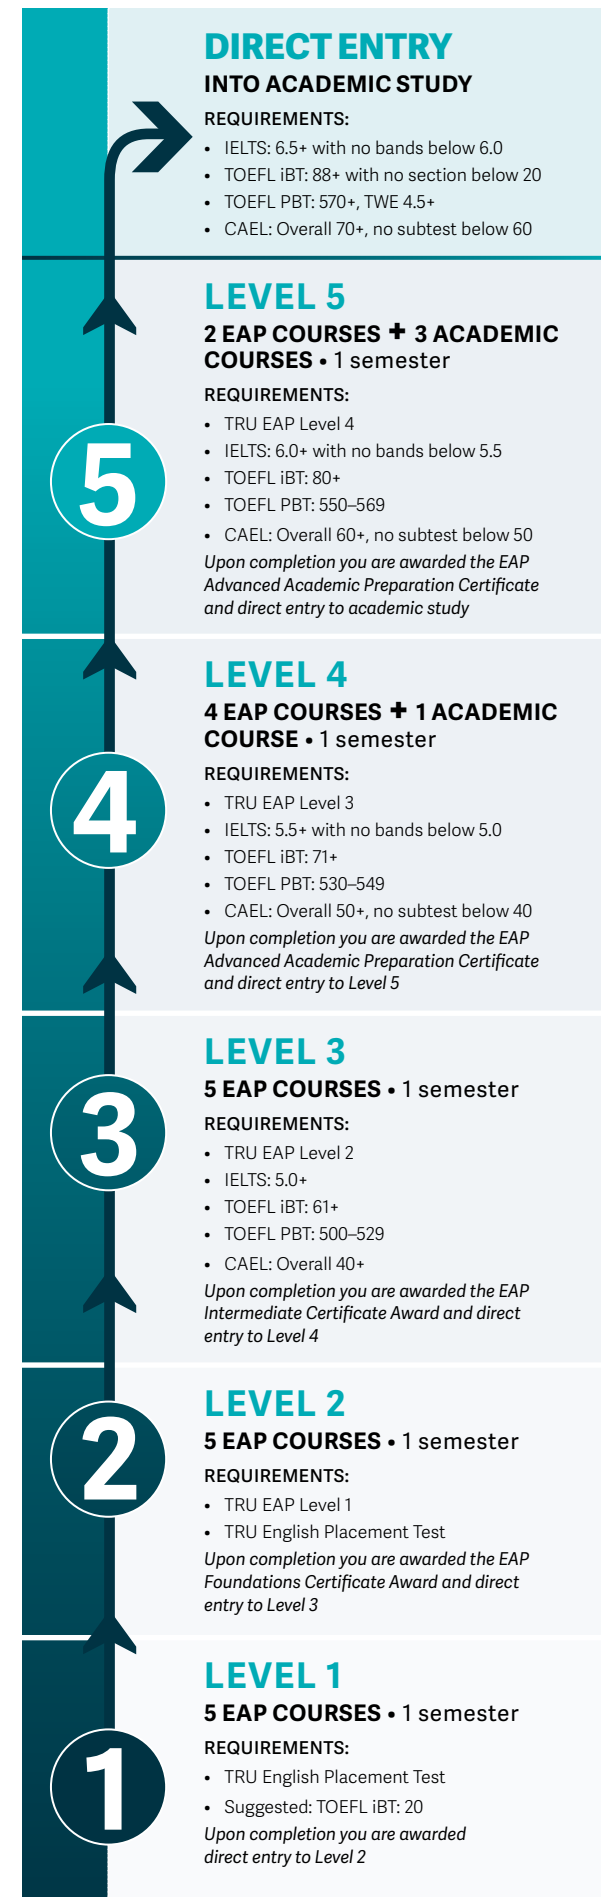

Academic Excellence Award

To be considered, students must have a minimum GPA of 86% (A) during last year of school/college/university. Applicable to any undergraduate program.

Exceptional Student Award

To be considered, students must have a minimum GPA of 80% (A-) during last year of high school/college/university and gain direct entry to academic studies (IELTS 6.5+).

ENGLISH LANGUAGE UPGRADES AND U-PREP

TRU offers English for Academic Purposes (EAP) and University preparation (U-prep). Our EAP program provides quality language training for students who plan to go on to post-secondary study, focusing on English for academic purposes.

Each of the five levels of TRU's EAP program take one semester to complete. Students with no official test score will take an English Placement Test (EPT) upon arrival at TRU and will be placed in the appropriate level of English language study as indicated in the chart below. Students with an official test score can enter EAP or academic courses without taking the TRU EPT. Please refer to the chart for entry levels.

Note: To secure registration for the courses you need, please submit your English test scores two months before arriving at TRU.

Academic requirements

- Secondary school completion (high school graduation)
- Official transcripts from all previous post-secondary institutions (if applicable)
- Other requirements vary by program
- For detailed requirements, please refer to pages 24-36
- For English requirements and exemptions, go to tru.ca/englishrequirements

The TRU EAP Advantage

1. English Placement Test (EPT) available
2. IELTS and TOEFL scores are accepted
3. Academic EAP designed for university preparation
4. Can combine EAP and academic courses for credit in Levels 4 and 5
5. 20 hours of classroom instruction per week
6. Language labs and activities

We accept more test results, for more details visit tru.ca/eap

Trades Foundation Programs

These programs give you the basic entry-level skills you need to start working in a trade and prepare for apprenticeship.

Automotive Service Technician, Carpenter, Diesel Engine Mechanic, Electrician, Electrical/Industrial Mechanic, Heavy Duty Equipment Technician, Instrumentation & Control Technician, Industrial Mechanic (Millwright) Machinist, Metal Fabricator, Plumber, Welder

21 – 36 weeks

Red Seal: Many trades allow you to earn extra certification so you can work across Canada.

tru.ca/trades

Hands on training

Carpentry students gain hands-on training experience building the award-winning YMCA Dream Home Training House project in Kamloops, in partnership with the Canadian Home Builders Association.

HOW TO APPLY

Have questions? Speak with us today.
[TRU.CA/CONNECT](http://tru.ca/connect)

1 Choose your program and start date

Explore programs and start dates in our viewbook (pages 24-36)

Confirm specific admission requirements and deadlines for your selected program.

2 Apply

Submit your application online at truworld.ca/apply

Attach documents

- Upload all necessary documents, including proof of English language proficiency and transcripts.
- High school students should include final Grade 11 and interim Grade 12 transcripts.
- If applicable, include post-secondary transcripts.

Application fee

A non-refundable application fee of \$100 CAD must be paid at the time of application.

3 Receive your Conditional Letter of Acceptance (CLOA)

Upon meeting admission criteria, you will receive a pre-acceptance letter stating:

- The program to which you have been accepted.
- Any conditions tied to your acceptance.

Processing time

- Undergraduate programs: 10–15 business days.
- Graduate programs: 4–6 Weeks.

4 Payment

Pay tuition deposits through PayMyTuition by bank transfer, debit, or credit card. tru.ca/pay

5 Receive your Official Letter of Acceptance (LOA)

Once your tuition deposit is received and you agree to all outlined conditions, you will receive your Official Letter of Acceptance.

6 Your Provincial Attestation Letter (PAL)

If applicable, TRU will obtain your PAL from the Government of BC on your behalf. This PAL is required for your study permit application unless you are exempt.

7 Apply for your Canadian study permit with BorderPass

Apply for your study permit using your official letter of acceptance and PAL.

TRU partners with BorderPass to facilitate this process, offering access to expert Canadian immigration lawyers and advisory services at no additional cost. This partnership ensures you receive comprehensive support throughout your study permit application process, making it as smooth as possible.

TRU Refund Rules

Students should familiarize themselves with TRU's refund rules prior to submitting payment for their studies. All new international TRU applicants should know that their first-semester tuition fees are non-refundable and non-transferable. After receiving the Letter of Acceptance, the applicant is expected to begin their studies at TRU.

Students withdrawing due to a failure to obtain a student permit prior to arrival at TRU will be entitled to a full refund of tuition and general fees invoiced, minus a \$200 CAD administration fee. Students must notify TRU in writing and provide documentation before the start of the semester. Processing time may take up to eight weeks. New students who wish to defer the start of their first semester of study to a future semester may do so only once and up to a maximum of one calendar year.
